Sir:

In response to the Office Action dated April 25, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please amend the claims as set forth below. The claims are in "clean form" per 37 C.F.R. § 1.121(c). Applicant has also included the Appendix in accordance with 37 C.F.R. § 1.121(c), showing the additions and deletions, which are indicated by strikethrough, to the amended claims.

Claims 1, 7 and 9 have been rewritten as follows:

- BT
- sub C1
1. (Twice amended) A method for accessing one of a plurality of remote service providers across a network via a single login to a host service provider, each of the plurality of remote service providers being accessible through the host service provider and each of the plurality of remote service providers having separate login procedures requiring data, the method comprising the steps of:
